

# Adjusting Course: Artemis University 15

Artemis University 15 is a private research university located in the heart of downtown Los Angeles. Founded in 1901, the university has a long and distinguished history of academic excellence. Artemis University is committed to providing its students with the highest quality education possible, and offers a wide range of undergraduate and graduate programs. The university is also home to a number of research centers and institutes, which conduct cutting-edge research in a variety of fields.

## The Artemis University Mission

The mission of Artemis University is to provide its students with the knowledge and skills they need to succeed in the 21st century global economy. The university believes that education should be both transformative and empowering, and it is committed to helping its students develop the critical thinking, problem-solving, and communication skills they need to make a difference in the world.
