The Ecstasy of Love

When we fall in love, it is as if a new world opens up before us. We see the beauty in everything, and we feel an overwhelming sense of joy and gratitude. This is the ecstasy of love, a state of being that is both intoxicating and ephemeral.

In your eyes, I see the world anew,
A tapestry of colors, vibrant and true.
Your smile is a beacon, guiding me home,
In your arms, I find solace, a place to roam.
Oh, the ecstasy of love, so sweet and pure,
A flame that burns brightly, forever secure.

The Agony of Loss

But love is not always a bed of roses. There are times when we experience heartbreak, and the pain can be unbearable. We feel lost and alone, as if a part of ourselves has been torn away.

In the depths of despair, I drown,
Your absence a void that cannot be found.
Tears flow freely, a river of pain,
As I long for your touch, but all is in vain.
Oh, the agony of loss, so cruel and unfair,
A wound that time cannot heal, a burden I bear.

The Hope of Rebirth

Even in the darkest of times, there is always hope. We can find solace in the memories of our loved ones, and we can take comfort in knowing that they are always with us in spirit.

From the ashes of sorrow, a new flame shall rise,

A flicker of hope, a light that never dies.

In the embrace of memory, I find release,

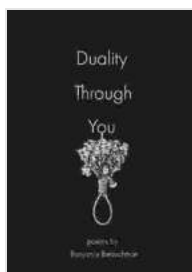

Your love a beacon, guiding me towards peace.

Oh, the hope of rebirth, a promise so grand,

A phoenix from the flames, I shall rise hand in hand.

Love is a powerful force that can both uplift and shatter us. It is a force that is capable of bringing us to our knees, but it is also a force that can give us the strength to rise again.

"Duality Through You: Collected Poems From Yours Truly" is a testament to the power of love and the human spirit. It is a collection of poems that will resonate with anyone who has ever loved, lost, and found hope again.
