The First Family Detail was created in 1901 after President William McKinley was assassinated. The unit is composed of agents from the Secret Service's Uniformed Division and the Criminal Investigations Division. The agents are assigned to protect the President's spouse, children, and other close family members.

The First Family Detail's mission is to provide round-the-clock protection for the President's family. The agents work closely with the White House staff to ensure that the first family is safe at all times. They also coordinate with

other law enforcement agencies to provide additional security when necessary.

The First Family Detail is a highly specialized unit. The agents receive extensive training in a variety of areas, including self-defense, firearms, and emergency medical care. They are also trained in how to deal with the unique challenges of protecting a high-profile family.

The First Family Detail is a vital part of the Secret Service. The agents work tirelessly to keep the first family safe and ensure that they can live their lives as normally as possible.

## **Training**

The First Family Detail's training program is one of the most rigorous in the Secret Service. The agents receive training in a variety of areas, including:

- Self-defense
- Firearms
- Emergency medical care
- Driving
- Surveillance
- Counterterrorism

The agents also receive training in how to deal with the unique challenges of protecting a high-profile family. This training includes:

- How to handle media attention

- How to protect the family from threats
- How to evacuate the family in an emergency

The First Family Detail's training program is constantly evolving to meet the changing needs of the family. The agents are always learning new techniques and strategies to ensure that they are able to provide the best possible protection.

## **Operations**

The First Family Detail's operations are divided into two main areas: protective operations and investigative operations.

Protective operations are designed to keep the first family safe. The agents work closely with the White House staff to develop security plans for all of the family's activities. They also conduct regular security sweeps of the White House and other locations where the family may be visiting.

Investigative operations are designed to identify and neutralize threats to the first family. The agents work with other law enforcement agencies to investigate threats and take appropriate action.

The First Family Detail's operations are complex and challenging. The agents must be able to adapt to changing circumstances and make quick decisions in order to keep the family safe.

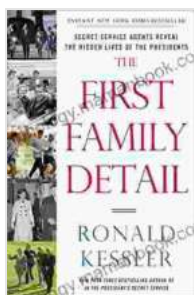

The First Family Detail is an elite Secret Service unit responsible for protecting the President's family. The agents are highly trained and experienced professionals who work tirelessly to keep the first family safe.

They are a vital part of the Secret Service and play a critical role in ensuring the safety of the President and his family.

Here are some additional details about the First Family Detail:

- The First Family Detail is composed of approximately 100 agents.
- The agents are assigned to protect the President's spouse, children, and other close family members.
- The First Family Detail's budget is approximately \$100 million per year.
- The First Family Detail has a long history of protecting the President's family. The unit has been involved in several high-profile cases, including the assassination of President John F. Kennedy.

The First Family Detail is a highly specialized and effective unit. The agents are dedicated to protecting the President's family and ensuring their safety.
